

R E M A R K S

Claim 5 currently remains in the application. Claims 1-3 and 6-9 have been canceled, claim 4 has been withdrawn and claim 5 is herein amended.

In response to the document entitled Amendment "B" After Final Action mailed February 26, 2002, the Examiner stated in said Advisory Action that the proposed amendment therein would not be entered because they raised new issues that would require further consideration and/or search. The present RCE is therefore being submitted to have such consideration and/or search to be effected. Thus, the claims section is herein amended in the same way presented in said Amendment "B" After Final Action and applicant is herein presenting the same argument as before against the Examiner's rejection in said Final Action.

It is therefore respectfully requested that the Examiner review the arguments presented by applicant in said Amendment "B".

Respectfully submitted,
